

CASH RECEIPTS

The **CASH RECEIPTS** module is a temporary file that holds the daily funds received in for deposit. All transactions cleared from the **A/R** module flow to the **CASH RECEIPTS** waiting to be batched or sent individually to the **CHECKBOOK** register.

To view the daily **CASH RECEIPTS** highlight and press enter.

Highlight and press enter on **LIST/TAG DAILY RECEIPTS**.

Receipt#	Stkno	DateIn	Vender/Name	Amount	Locate	Check##	(Ta
