

REPORTS

The software comes with V3 Standard reports for each module. The reports for each module may be found under the main header of each individual module from the MAIN MENU. Unlike the HISTORY reports the INVENTORY, A/R, and A/P reports are not date specified meaning that they will only pull what's in the current file. Therefore, those reports must be pulled timely at month end.

Acm Demo		HISTORY	A/R	A/P
INVENTORY		DEALS		
ADD/EDIT/RECON		SOLD RETAIL/WHOLESALE
