UNWIND DEAL feature allows the deal to be reversed and put back into **PENDNG DEALS** and **CURRENT INVENTORY**. When using the **GL ACCOUNTING** portion of the software this feature will also reverse the accounting entries. For more information on unwinding deals from an accounting standpoint go to the **GL ACCOUNTING** section of manual.

This screen may be password protected.

Please confirm the accounting period to unwind to. Generally, in the GL this would match the original sale date or accounting period unless the original period is closed.
