

WASTED R/O NUMBERS

R/O NUMBERS are created in sequence. Any R/O deleted or zapped from the system without being closed to **HISTORY** will be logged into the **WASTED R/O NUMBERS** module. This will allow for audit control.

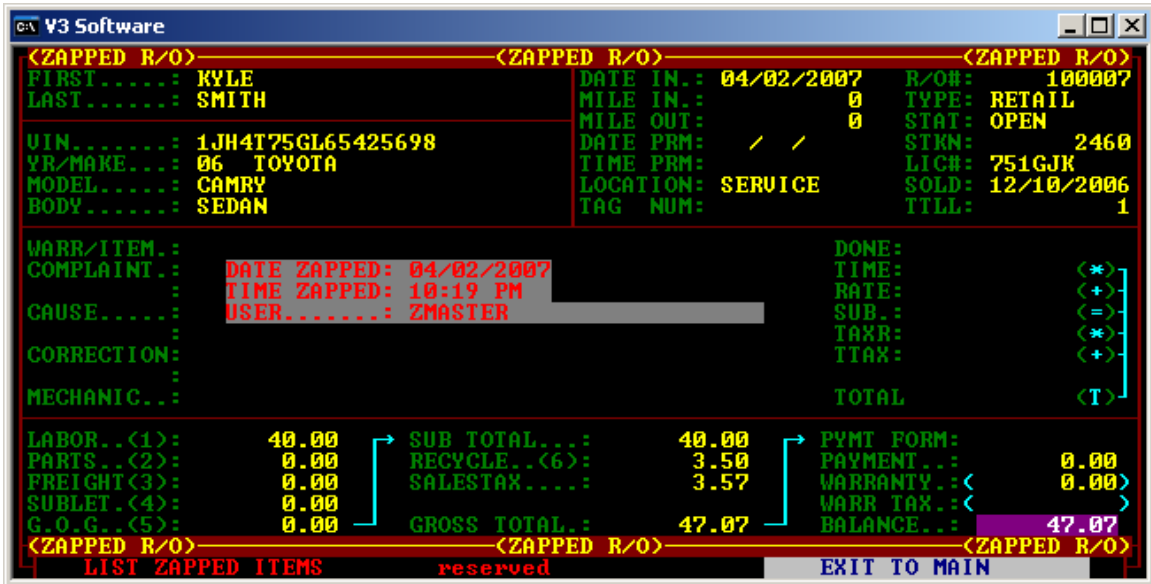

To view highlight and press enter on **WASTED R/O NUMBERS**.

Highlight and press enter on **LIST ZAPPED ITEMS**.

The **R/O NUMBERS** will be listed in sequence. Highlight the target R/O and press enter to view.

Note that the R/O is time stamped with the date and user that deleted the R/O.

EXIT TO MAIN.

V3 software notes:
